COLOUR LITERACY PROJECT

CALL FOR COLOUR EXPLORATION EXERCISES

*To potentially contribute a **Colour Teaching and Learning Activity** to the Colour Literacy Project, share one of your Colour Exploration Exercises by filling this form, and send to **colourliteracyproject@gmail.com**. Submitted exercises will be assessed by Colour Literacy Project team members. Accepted Colour Exploration Exercises will be posted on colourliteracy.org as a Teacher Resource.*

1. About you

Name		Surname	
Institution			
Department / School			
Country			

2. Information about the Exercise

Please provide some contextual information about the program or course where the exercise is included and a brief description of the exercise, its duration, ideal environment and intended learning outcomes.

Exercise Title					
Course Title and Level					
Keywords					
Ideal environment *(mark with an X)*	Home: ___	Classroom: ___	Laboratory: ___	Online: ___	Other: ___
Duration *(i.e.: 1 hour and 30 minutes)*					
Brief description *(max. 200 words)*					
Learning Outcomes *(Give 2-5 learning outcomes or aims for the exercise. Use a verb to start each outcome, e.g.: to create variations of chroma for a given hue.)*					

A. Step-by-step Instructions for the Exercise:

Describe the step-by-step instructions for the exercise. Include: a brief description for each step; the resources or materials needed (for teachers and students) for each step; and an approximated duration of each step. You can add rows to the table below.

Steps	Description *(i.e.: each student receives a brief for a company, students do a brainstorming session, etc)*	Resources / Materials / Software *(i.e.: coloured paper, Adobe Photoshop)*	Duration *(i.e.: minutes)*

2.			
3.			
4.			
5.			
6.			
7.			

B. Evaluation Guidelines for the Exercise:

*Please suggest evaluation guidelines and criteria to help **assess the students' learning and performance** at the end of the exercise. This can be useful for teachers to understand how to evaluate the results of the exercise. If your exercise is a group activity, please indicate if you evaluate individual and/or group results, and how.*

Suggested Evaluation Guidelines	Criteria

PROJECT

C. Further suggestions or remarks about the Exercise:

Optional

Suggestions for the teacher	Suggestions for students

D. Photos, videos or other visual supporting material

Please include at least one image/photo of the exercise. You may also add links to any videos if they are available. This will help support our assessment of your exercise. If we use any visual material you supply, we will confirm permissions before we post to our website.

E. Additional References

Optional

F. Informed Consent

Please mark with an X the following declaration:

_____ *I declare that the content that I have provided has been developed by me and it does not infringe any of the copyright laws or harm other people's rights.*

_____ *I agree that this material can be shared and disseminated for academic purposes on the Colour Literacy Project website (colourliteracy.org), with due respect and express recognition of my authorship.*

Name: _____
Date: _____

Note

Submitted Colour Exercises/Activities will be assessed by the Colour Literacy Project team members. Note that not all submitted exercises will be accepted and posted on the Colour Literacy Project website. Applicants will be notified as to whether their Exercise will be included as a Teacher Resource, and when the exercise will be posted. We will re-format the material for our website, and ask you review the material before it is posted. You will be credited for your exercise. Thanks!
